

Both Sides of the River

Leonard Searcy

money where he's going.

FULLER
Where's he going?

OFFICER
He was a hard ass, beat girls half to death. Charges never stuck. He's been charged now, he's going to a special place for people like him.

FULLER
(Awkward pause) Oh you mean hell. I'm thinking, "he's fucking dead where could he be going?" But you're talking about the guy's. (Laughs)

The Officer is taken aback by Fuller's cynicism. Fuller changes the subject looking at a CSI investigators ass, looks back at the Officer and points.

FULLER
Thank god, right?

Officer looks back at Yang.

Fuller unfazed by being ignored moves over to the CSI INVESTIGATOR, where the shooter was standing, he then points his trigger finger in the direction of the victim.

A flash of the shooting. We return back to the crime scene. Fuller moves over by the Investigator.

FULLER
Talk to me?

CSI INVESTIGATOR
It's how it looks. Throat cut, victim bled out.

The CSI INVESTIGATOR walks passed his body.

CSI INVESTIGATOR
Nothing else left behind.

Fuller looks at Yang's computer.

FULLER
Rich guys do get there pick of the litter. The tits on this one.

CSI INVESTIGATOR
 Guessing he was killed after 5pm. His
 last message on that hookup site was
 just before then.

FULLER
 You ever hookup, Cheeks?

Looking at her ass again.

CSI INVESTIGATOR
 I'm married. Asshole.

FULLER
 That's too bad.

Fuller sees a feather on Yang's desk. He grabs it and
 conceals it.

FULLER
 You ever hear that saying, It's no fun
 when the rabbits got the gun? Mr. Yang
 wasn't the rabbit.
