CAP'T PATRICK COLE

Good, get some damn police work done around.

JOSEPH

Cap?

CAP'T PATRICK COLE

So what do you got for me, what's this about gold?

JOSEPH

One fatal blow to the head, weapon was a gold statue or something, the second victim was shot and killed.

CAP'T PATRICK COLE

We dealing with more than one suspect?

JOSEPH

We don't think so.

CAP'T PATRICK COLE

Christ. Cameras turn up anything?

STARKS

No cameras Cap. Nothing from forensics.

CAP'T PATRICK COLE

No Cam.. Ok, look we need this nipped in a bud quick. I haven't seen people this upset since Paul Wellstone, or Dr. King. I got hat ladies from every baptist church to the Goddamn governor breathing down my neck for answers. People protesting on the street, the highway, the Government center. We gotta get ahead of this. There'll be a conference in an hour, you two will be updating the public on our progress.

STARKS

Cap we don't have much to tell.
