he passes the restaurant in the building, takes an elevator up and walks into a board room of people who are arguing. These are people from Cartels, Mafias, Gangs (Yakuza, Triads), Syndicates, and Politics. The different representatives sit to speak.

PERSON 1

We put a lot of money in this plan.

HADES

We have seen a consistent decrease in our market shares since we began this venture of yours, it's unfortunate what has happened to Audrey but I'm sure I speak for us all when I say I'm not in the business of losing money.

PERSON 2

Cedric, I have a great amount of respect for you. You've always been a man of reason. This plan of Ms. Mbayu and yours strongly depended on Audrey being alive. But now there's no one we can trust to see this plan through.

PERSON 3

Was there a contingency for Audrey's death?

RODELL

Yes, we continue the plan.

HADES

How? Audrey's not here to endorse you? You won't win the governor seat without her.

RODELL

I'll win it with her.

PERSON 2

Cedric help us understand.
